

Major Lecture Subject

LEARNING ACHIEVEMENT (HARDSKILL)	CODE	AREA	CODE	SUBJECT	CODE
Adept in political theory and knowledge about global security;	P.1	Global Governance	GG	Global Governance Network (GGN)	MK1
Adept in knowledges about international bussiness and international political economy;	P.3	International Bussiness	BI		
		International Political Economy	EPI		
Adept in theories of international cooperation and diplomacy;	P.6	International Cooperation	KI		
		Discourse in Diplomacy	DD		
Could produce policy based on aspects of international relations, global consideration, also strategy of international peace and security;	KS.1	Policy Analysis	AK		
Adept in political theories and knowledges about global security;	P.1	Political Media		Communication and Global Media	MK2
Adept in theoritical concepts of cosmopolitanism; humanitarianism; internationalism; and contemporary global issues;	P.4	Global Media			
Adept in global communication theories;	P.8	Global Communication			

LEARNING ACHIEVEMENT (HARDSKILL)	CODE	AREA	CODE	SUBJECT	CODE
Adept in knowledges about international bussiness and international political economy;	P.3	Politics and Bussiness	PB	Decentralization and International Cooperation	MK3
Adept in theoritical concepts of cosmopolitanism; humanitarianism; internationalism, and contemporary global issues;	P.4	Contemporary Global Issue	IGK		
Adept in theoritical concepts of cultural anthropology and cultural studies;	P.5	Anthropology and International Cooperation	AKI		
		International Cooperation	KI		
Adept in theories of international cooperation and diplomacy;	P.6	International Cooperation	KI		
Could do paradplomacy to build international cooperation by local government;	KS.3	Legal Drafting	LD		
Adept in theories of global conflict resolution;	P.2	Global Conflict Resolution	RKG	National Intervention Management	MK4
		Conflict and Failed State	KNG		
Adept in theoritical concepts of cosmopolitanism; humanitarianism; internationalism, and contemporary global issues;	P.4	Discourse in Cosmopolitanism	DK		
		Discourse in Humanitary and Intervention	DHI		

LEARNING ACHIEVEMENT (HARDSKILL)	CODE	AREA	CODE	SUBJECT	CODE
Adept in theoretical concepts of cultural anthropology and cultural studies;	P.5	Culture Friendly Intervention	IRB		
Could produce policy based on aspects of international relations, global consideration, also strategy of international peace and security;	KS.1	Intervention Management	MI		
Could do negotiation in bilateral or multilateral level on contexts of global peace and security;	KS.2	Negotiation and Intervention	NDI		
Adept in knowledges about international bussiness and international political economy;	P.3	Civil Law	HK	International Public Law	MK5
Adept in theories of international cooperation and diplomacy;	P.6	Law of Treaty	HP		
		Legal Drafting	LD		
Could do paradiplomacy to build international cooperation by local government;	KS.3	Diplomacy Practice	PK		
Adept in global conflict resolution theories;	P.2	International Negotiation Discourse	DNI	International Negotiation Management	MK6
Adept in knowledges about international bussiness and international political economy;	P.3	International Economy	EI		
		International	PEI		

LEARNING ACHIEVEMENT (HARDSKILL)	CODE	AREA	CODE	SUBJECT	CODE
		Political Economy			
Adept in theories of international cooperation and diplomacy;	p.6	International Cooperation	KI	Formulation of Foreign Policy and Diplomacy	MK7
		International Diplomacy	DI		
Could do negotiation in bilateral or multilateral level on contexts of global peace and security;	KS.2	Diplomacy Practice	PD		
Could do paradiplomacy to build international cooperation by local government;	KS.3	Diplomacy Practice	PD		
Documentating, saving, securing, and refining research result data to validity the authentication and avoiding plagiarism;	KU.4	Negotiation Documentation	DNI		
Adept in theories of international cooperation and diplomacy;	P.6	International Anarchism	AI		
		Scope of International Cooperation and Diplomacy	SKIP		
Could do negotiation in bilateral or multilateral level on contexts of global peace and security;	KS.2	Negotiation Governance	TKN		
Could do paradiplomacy to build international cooperation by local	KS.3	Paradiplomacy Governance	TPD		

LEARNING ACHIEVEMENT (HARDSKILL)	CODE	AREA	CODE	SUBJECT	CODE
government;					
Take decision in context of problem solving of challenges in development of science, technology, and art based on analysis and experimental discourse towards information and data;	KU.3	Foreign Policy Discourse	DPLN		
		Foreign Policy Practice	PPLN		
Adept in theoretical concepts of cosmopolitanism; humanitarianism; internationalism, and contemporary global issues;	P.4	Globalization	G	Global Contemporary Diplomacy	MK8
Adept in theoretical concepts of cultural anthropology and cultural studies;	P.5	Diplomacy	D		
Adept in theories of international cooperation and diplomacy;	P.6	Diplomacy	D		
Adept in development of international relations theory with Islamic perspective;	P.7	Islam and International Relations	IHI		
Could produce policy based on aspects of international relations, global consideration, also strategy of international peace and security;	KS.1	Diplomatic Governance	DG		
		Diplomacy Practice	PD		
Adept in political theory and knowledge about global security;	P.1	Security Studies			
Adept in theories of global	P.2	Conflict			

LEARNING ACHIEVEMENT (HARDSKILL)	CODE	AREA	CODE	SUBJECT	CODE
conflict resolution;		Resolution			
Adept in theoretical concepts of cosmopolitanism; humanitarianism; internationalism; and contemporary global issues;	P.4	International Conflict			
Adept in theoretical concepts of cultural anthropology and cultural studies;	P.5	Primordialism in Global Conflict			
		Budaya dan Resolusi Konflik			
Could produce policy based on aspects of international relations, global consideration, also strategy of international peace and security;	KS.1	Global Peace			
Adept in theoretical concepts of cosmopolitanism; humanitarianism; internationalism; and contemporary global issues;	P.4	International Humanitary	HUMI	International Humanitary Management	MK10
Adept in political theory and knowledge about global security;	P.1	Human Security	PHI		
Adept in theories of global conflict resolution;	P.2	Humanitarian Problem	PHI		
Could produce policy based on aspects of international relations, global consideration, also strategy of international peace and	KS.1	Humanitarian Intervention	IH		

LEARNING ACHIEVEMENT (HARDSKILL)	CODE	AREA	CODE	SUBJECT	CODE
security;					
Could do negotiation in bilateral or multilateral level on contexts of global peace and security;	KS.2	International Negotiation	N		
		Negotiation Practice	PN		
Develop logical, critical, systematic, and creative in areas of science, technology, or arts inline with the expertise through scientific research, design-making, or arts creation, also arrange scientific concept and its output based on norms, procedure, and scientific etiquette in the form of thesis.	KU.1	Logical Thinking	LB	International Relations Research Method	MK11
		Research Approach	PP		
Arrange and communicate idea, thought, and scientific argument responsibly and based on academic etiquette, through media towards academic community and vast community;	KU.2	Proposal Writing	PP		
Take decision in context of problem solving of challenges in development of science, technology, and art based on analysis and experimental discourse towards information and data;	KU.3	Conclusion Making	PK		
Documentating, saving,	KU.4	Scientific Writing	TPI		

LEARNING ACHIEVEMENT (HARDSKILL)	CODE	AREA	CODE	SUBJECT	CODE
securing, and refinding research result data to validity the authentication and avoiding plagiatio;		Technique			
Develop logical, critical, systematic, and creative in areas of science, technology, or arts inline with the expertise through scientific research, design-making, or arts creation, also arrange scientific concept and its output based on norms, procedure, and scientific etiquette in the form of thesis.	KU.1	Proposal Writing Tutorial	KRI	Thesis Topic-Choosing Seminar	MK12
Arrange and communicate idea, thought, and scientific argument responsibly and based on academic etiquette, through media towards academic community and vast community;	KU.2	Scientific Work Presentation	PKI	Thesis Writing	MK13
Take decision in context of problem solving of challenges in development of science, technology, and art based on analysis and experimental discourse towards information and data;	KU.3		PKI		
Documentating, saving, securing, and refinding research result data to validity the authentication and avoiding plagiatio;	KU.4	Scientific Work Publication	BKU49	Scientific Work Dissemination	Mk14

LEARNING ACHIEVEMENT (HARDSKILL)	CODE	AREA	CODE	SUBJECT	CODE
Arrange and communicate idea, thought, and scientific argument responsibly and based on academic etiquette, through media towards academic community and vast community.	KU.5	Scientific Work Dissemination	DKI
